A

Access, to health care

Circles of care: Home care and community support for rural older adults. (Magilvy, Congdon, & Martinez) 1994;16(3):22–33.

Marginalized women's access to health care: A feminist narrative analysis. (Stevens) 1993;16(2):39–56.

Acquired immunodeficiency syndrome (AIDS)

The paradox of HIV/AIDS as expanding consciousness. (Lamendola & Newman) 1994;16(3):13–21.

Administration

Connective leadership for the 21st century: A historical perspective and future directions. (Klakovich) 1994;16(4):42–54.

Aging

Circles of care: Home care and community support for rural older adults. (Magilvy, Congdon, & Martinez) 1994;16(3):22–33.

The use of across-method triangulation in the study of sleep concerns in healthy older adults. (Floyd) 1993;16(2):70–80.

AIDS. See Acquired immunodeficiency syndrome (AIDS)

Alcohol problems

How lesbians recognize and respond to alcohol problems: A theoretical model of problematization. (Hall) 1994;16(3):46–63.

Alzheimer's disease

Palliative fever management in Alzheimer patients: Quality plus fiscal responsibility. (Hurley, Volicer, Mahoney, & Volicer) 1993;16(1):21–32.

Assessment

Critical decision method: A technique for eliciting concrete assessment indicators from the intuition of NICU nurses. (Crandall & Getchell-Reiter) 1993;16(1):42–51.

C

Caring

Transforming visions for nursing in the timeworld of *Einstein's Dreams.* (Schoenhofer) 1994;16(4):1–8.

Carrier bag theory

The carrier bag theory of nursing practice. (Maeve) 1994;16(4):9–22.

Children

Esthetic knowledge in family-centered nursing care of hospitalized children. (Bournaki & Germain) 1993;16(2):81–89.

Clinical databases

Informatics issues for nursing's future. (Hays, Norris, Martin, & Androwich) 1994;16(4):71–81.

Clinical judgment

Clinical judgment: An integrated model. (Gordon, Murphy, Candee, & Hiltunen) 1994;16(4):55–70.

Community support

Circles of care: Home care and community support for rural older adults. (Magilvy, Congdon, & Martinez) 1994;16(3):22–33.

Computers

Informatics issues for nursing's future. (Hays, Norris, Martin, & Androwich) 1994;16(4):71–81.

Conceptual framework

The carrier bag theory of nursing practice. (Maeve) 1994;16(4):9–22.

Clinical judgment: An integrated model. (Gordon, Murphy, Candee, & Hiltunen) 1994;16(4):55–70.

Marginalization: A guiding concept for valuing diversity in nursing knowledge development. (Hall, Stevens, & Meleis) 1994;16(4):24–41.
Transforming visions for nursing in the timeworld of *Einstein's Dreams.* (Schoenhofer) 1994;16(4):1–8.

Costs. See Quality and Cost

Critical decision method (CDM)
Critical decision method: A technique for eliciting concrete assessment indicators from the intuition of NICU nurses. (Crandall & Getchell-Reiter) 1993;16(1):42–51.

Cultural themes
Cultural themes in family stress and violence among Cambodian refugee women in the inner city. (Frye & D'Avanzo) 1994;16(3):64–77.
